Support Community. Champion Youth. Celebrate Cape Cod.

Cape Cod Community Rowing Inc. invites you to sponsor our annual Cranberry Sprints Regatta — a high-spirited rowing race that brings together youth, adults, and spectators for a morning of fun and friendly competition on beautiful Long Pond in Harwich.

The Cranberry Sprints Regatta is our annual fundraiser, and we need your support! The race is an opportunity for both youth and adults to have some friendly competition. It's a morning of fun for the whole community. Join us! Your support will help us continue to provide safe, updated essential equipment and scholarships to those in need. **In addition, Cape Cod Water Sports Academy will generously match your donation.**
